

MACK® SUPER-LINER

PERFORMANCE ON DEMAND.

MACK® SUPER-LINER

Offering massive horsepower and torque, the Super-Liner is the truck of choice in those demanding line-haul B-double and B-triple applications. Designed for B-double, interstate linehaul, triple road trains, low-loader, heavy haulage and anything in between, the Super-Liner will get the job done.

BORN READY.

MACK® SUPER-LINER

KEY FEATURES

Perfect for B-double, heavy-haul, road train, and other heavy-duty applications

MP10 engine delivers up to 685hp and 2,300lb.ft. (3,810 Nm) torque

mDRIVE automated manual transmission with deep reduction gears, takes all the effort out of gear changes and provides flexibility in low speed applications

Mack PowerLeash offers ultimate engine braking control under demanding conditions

“Road Stability Advantage” rollover prevention

Great fuel economy and low emissions

Quiet and comfortable cab

Designed and built in Australia for Australian conditions

Comfortable Interiors

The Mack Super-Liner comes with new levels of driver comfort and functionality, to keep drivers comfortable and safe all day. Tilt/telescoping steering column, air suspension driver seat and all controls within reach keep drivers in control.

Total Support

Mack Genuine Parts are as tough as your truck. With premium materials and precision engineering, they’re built to take whatever the road can throw at them. Mack Total Support gives you the added confidence of warranties, servicing and maintenance from the people who made your machine.
