ANTHEM

Key Features

Perfect for long haul, local and regional distribution, heavy construction and tipper and dog configurations.

Powered by the Mack MP⁸ engine delivering up to 535hp and 1,920lb.ft. (2,600Nm) torque

mDRIVE™ automated manual transmission with deep reduction gears, takes all the effort out of gear changes and provides flexibility in low speed applications

Mack PowerLeash offers ultimate engine braking control under demanding conditions

“Road Stability Advantage” rollover prevention

Great fuel economy and low emissions

Mack Infotainment system with Apple CarPlay, Android Auto compatibility and wireless phone charging pocket

Quiet and comfortable cab

Built in Australia for New Zealand conditions

Comfortable Interiors

The Mack Anthem comes with new levels of driver comfort, safety and functionality. Designed for the driver, with tilt/telescoping steering column, driver seat with air suspension and all of the controls within reach, the cab offers an improved experience, keeping drivers in control in tough New Zealand conditions.

Total Support

Mack Genuine Parts are as tough as your truck. With premium materials and precision engineering, they're built to take whatever the road can throw at them. Mack Total Support gives you the added confidence of warranties, servicing and maintenance from the people who know your machine. With New Zealand wide support, we have the right solution for your operation.
